## SUMMARY

---

- Detail-oriented and results-driven junior developer with a strong commitment to continuous learning
- Demonstrated problem-solving and communication skills while working independently on complex projects
- Proficiency in ServiceNow Development, Microsoft Azure Functions, C++, Python, HTML/CSS/JavaScript, and SQL

## EDUCATION

---

### Master of Science in Computer Science – Specialization in Machine Learning

Sep 2023 – Present

The Georgia Institute of Technology, Atlanta, Georgia

Relevant Courses: Natural Language Processing, Graduate Algorithms, Machine Learning

### Honors Cognitive Science – Computational Cognition Stream

Sep 2015 – Jun 2020

University of Toronto, Toronto, Ontario

Relevant Courses: Computer Science, Software Design, Computer Programming

## WORK EXPERIENCE

---

### System Developer Coop, Healthcare of Ontario Pension Plan (HOOPP), Toronto, Ontario

May 2023 – Present

- Independently led a ServiceNow project integrating with SharePoint and Oracle, automating business operations such as flow of incoming and outgoing cheques
- Demonstrated self-learning by acquiring expertise in ServiceNow, C#, Oracle Database, Microsoft Azure Functions, and SharePoint
- Developed strong communication skills, clarifying requirements and coordinating projects

### Coding Instructor, Ultimate Coders, Markham, Ontario

Jan 2023 – Apr 2023

- Taught programming in C++, Python, Java, Arduino Hardware, Web, and Scratch
- Managed up to 24 students daily, demonstrating strong organizational skills
- Identified errors in the textbook, devised solutions, and presented them to students, showcasing critical thinking and attention to detail

## PERSONAL PROJECTS

---

### Parking Application, C++

- Developed a parking lot system using OOP concepts for user interaction and vehicle parking
- Utilized inheritance and polymorphism, creating a reusable, maintainable program adaptable to new vehicle types

### Personal Career Portfolio Website, HTML/CSS/JAVASCRIPT

- Constructed a professional personal website highlighting my skills and experience
- Implemented a functional contact form using HTML for enhanced user interaction
- Applied hands-on experience with HTML/CSS and JavaScript to create an interactive website
- Ensured optimal viewing on various screen sizes by applying responsive design principles
